The screenshot displays the IBM Cognos Analytics web application. A 'Select a template' dialog box is open in the center, showing a grid of 12 different visualization templates. The background dashboard, titled 'Tab 1', contains two line charts. The top chart, 'price by year', shows price fluctuations from 2014 to 2016. The bottom chart, 'sales by year', shows sales volume over the same period. The interface includes a top navigation bar with 'My IBM' and 'New dashboard' options, and a right sidebar with 'Analytics', 'Filters', 'Fields', and 'Properties' tabs. The bottom of the screen shows a Windows taskbar with various application icons and system status information like time and temperature.

Price, stock , sales, and revenue by year:
